

Roberta Manfrecola

Date and Place of Birth: 30/09/1994, Naples (NA)

PhD Candidate in *History and Transmission of Cultural Heritage*; my research focuses on Herculaneum Papyrology, specifically on the study of *PHerc. 1414*, which contains Philodemus of Gadara's treatise "*On Gratitude*".

Bachelor's Degree in *Philology, Literature, and Civilization of the Ancient World*.

Through my research thesis in Paleography, I acquired skills in philological and codicological aspects of texts. Over the years, I have also engaged in the technical study of philology applied to informatics and new technologies, further strengthened through specific workshops.
